

Research and teaching Assistant (f/m) – Department of Artificial Intelligence

SINGLE-STAGE RECRUITMENT PROCESS

INSTITUTION:

Warsaw University of Life Sciences (SGGW),
Institute of Technical Informatics,
Department of Artificial Intelligence,
02-776 Warsaw, 159 Nowoursynowska St.

WORK LOCATION/COUNTRY: Warsaw/Poland

POSITION: Research and Teaching Assistant

NUMBER OF POSITIONS: 1

FIELD OF SCIENCE: Engineering and technical sciences

DISCIPLINE: Technical informatics and telecommunications

ANNOUNCEMENT DATE: July 29, 2026

APPLICATION DEADLINE: August 29, 2028

KEYWORDS: informatics, artificial intelligence, machine learning, deep learning.

JOB DESCRIPTION:

Candidates applying for the aforementioned position must meet the requirements set forth in Article 113 of the Act of 20 July 2018 – Law on Higher Education and Science (Journal of Laws 2018, item 1668), the University Statute (Appendices 1 and 6), and Resolution No. 51–2017/2018 of the SGGW Senate dated 28 May 2018 regarding amendments to the Statute of the Warsaw University of Life Sciences (SGGW).

We are seeking a candidate who possesses the following qualifications:

- Holds a Master's degree in Mathematics or Computer Science.
- Is fluent in Polish (at a minimum C1 level).
- Has a command of English sufficient to write publications and deliver presentations.
- Possesses teamwork skills and the ability to organize work time flexibly.

The candidate's duties will include conducting research and teaching courses—primarily in the field of computer science—within the study programs offered at SGGW.

Candidates are required to submit the following documents:

1. An application for the aforementioned position, addressed to the Rector of SGGW.
2. A copy of the doctoral or master's degree diploma, or another document confirming the possession of such a degree.
3. A CV detailing professional experience and skills related to teaching computer science courses, including a list of published works (as well as works accepted for publication, for which a confirmation from the editorial office is required).
4. A statement confirming compliance with the requirements set forth in Article 113 of the Act on Higher Education (Journal of Laws of 2018, item 1668).

Employment is conditional upon the submission of a declaration stating that SGGW will serve as the primary place of employment.

Meeting the requirements described above does not guarantee employment. Hiring depends on the candidate's alignment with the Institute's research policy.

Submission of documents:

- in hard copy: Secretariat of the Institute of Technical Informatics, Building 34, Room 3/28A, 02-776 Warsaw, ul. Nowoursynowska 159; tel.: 022 593 73 51.

or

- electronically: iit@sggw.edu.pl, with a copy (CC) to: krzysztof_gajowniczek@sggw.edu.pl.

Please include the following statement:

"I consent to the processing of my personal data by the Warsaw University of Life Sciences (SGGW) for the purpose of participating in recruitment processes, in accordance with the Act of 10 May 2018 on Personal Data Protection (Journal of Laws of 2018, item 1000)."

Information Clause:

We hereby inform you that any personal data provided by you during the recruitment process for the position of Assistant Professor conducted by the Warsaw University of Life Sciences (hereinafter referred to as SGGW) will be processed by SGGW for the purpose of conducting said recruitment process, in accordance with Article 6(1)(a) of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural

persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation), hereinafter referred to as the GDPR. The Data Controller is the Warsaw University of Life Sciences (SGGW), with its registered office at ul. Nowoursynowska 166, 02-787 Warsaw. Personal data will be stored until the conclusion of the recruitment process conducted by SGGW. SGGW has appointed a Data Protection Officer to oversee the proper processing of personal data; this officer may be contacted via the e-mail address: iod@sggw.pl.

In accordance with the provisions of the GDPR, we inform you that you have the right to request from SGGW, as the Data Controller, access to your data, its rectification, portability, and erasure, as well as the restriction of data processing and the right to lodge a complaint with a supervisory authority.
